

SANDIP FOUNDATION'S  
**SANDIP POLYTECHNIC, NASHIK**  
DEPARTMENT OF MECHANICAL ENGINEERING

---

Date: 11/07/2017

**Name of Event:** Industrial Visit to Nashik Engineering Cluster.

**Date of Event:** 11/07/2017

**Objectives:** To make the students aware of different skills required for manufacturing and design sector. Observe different Prototyping machines and to know the system calibration.

**Outcomes:**

- Students learnt about various software available in market for mechanical stream.
- Observed plastic and metal prototyping machines.
- Observed various testing and calibration systems.

**Participant:** SYME Students
