

SANDIP FOUNDATION'S  
**SANDIP POLYTECHNIC, NASHIK**  
DEPARTMENT OF MECHANICAL ENGINEERING

---

Date: 24/01/2019

**Name of Event:** Industrial Visit to Konkan Technologies.

**Date of Event:** 24/01/2019

**Resource Person:** Konkan Technologies.MIDC Ambad Nashik.

**Objectives:**

1. To observe the processing of non metallic material.
2. To understand the process of injection moldings and manufacturing of plastic components.

**Outcomes:**

In the industrial visit to Konkan Technology students observed and studied the different type of plastic materials. How the plastic is processed in industries has been observed. Observed and learnt the working principal of injection molding processes.

**Participant:** SYME Students
