

SANDIP FOUNDATION'S
SANDIP POLYTECHNIC, NASHIK
DEPARTMENT OF MECHANICAL ENGINEERING

Date: 14/01/2019

Name of Event: Industrial Visit to Vyankatesh Engineering Works.

Date of Event: 14/01/2019

Resource Person: Vyankatesh Engineering Works, Ambad, Nashik.

Objectives:

1. To observe the Layout and Managerial aspects of the Organization.
2. To study different manufacturing processes related to Advanced Manufacturing Processes.

Outcomes:

In the industrial visit to Vyankatesh Engineering Works students observed the layout of the plant in order to study the concepts of Production Technology and Industrial Engineering and management. Students also studied different machining processes in the Factory.

Participant: TYME Students
