

SANDIP FOUNDATION'S
SANDIP POLYTECHNIC, NASHIK
DEPARTMENT OF MECHANICAL ENGINEERING

Date: 21/05/2020

Name of Event: Webinar on “**Pro-Activeness and Personality Development**” .

Date of Event: 20/05/2020 and 21/05/2020

Resource Person: Mr.Govind Shriniwar, Director of Trainman Associates India.

Objectives:

1. To aware students about Pro activeness.
2. How to Prepare themselves for Industry Post COVID19 Pandemic ..

Outcomes:

On First day, Mr. Govind Shriniwar had a brief discussion on **Pro Activeness**. Proactive behavior involves acting in advance of a future situations, rather than just reacting. Means students now have to take control and make things happen rather than just adjusting to a situation or waiting for something to happen.

On second day of webinar, he guided students about their goal setting, problem finding motivation for achieving the goals. The importance of SWOT analysis for personality development is also highlighted.
